Christmas Seal Is Designed By Alumna Of DPU

The nation's 1963 Christmas Seal has been designed by DePauw University alumna, Judy Campbell Piussi, formerly of South Bend.

The ex-Hoosier's selection as winner of the 1963 competition, sponsored by the National Tuberculosis Association, was announced in the November issue of Bulletin, the association's monthly publication.

A 1956 DePauw graduate, Mrs. Piussi was a free-lance illustrator in New York City before her marriage last year to a professor of forestry at the University of Florence, Italy. The couple now resides there with their daughter, Luisa.

While in New York the former Miss Campbell counted among her clients the magazines Fortune, Gourmet, McCall's, Harper's, Ladies' Home Journal, and Seventeen. She was featured in Mademoiselle in 1961.

Since her arrival in Italy Mrs. Piussi has been doing free-lance designing for Basetti, a large Milan cotton mill.

This year's seal design—a jaunty snowman and a tiny house cut from colored paper and pasted on a twilight blue background—reflects the young artist and the spirit of the season. As the creator describes the design, "the cheery little house with the snowman outside, the family to gether after a busy day—these are the things that Christmas Seals help protect."

DePauw Presents Public Programs

Two public programs featuring music and literature will be presented tonight on the DePauw University campus.

Following last year's successful debut of a "Readings in English" series, the program will be continued this winter with one-hour formats scheduled tonight, December 17, February 11 and March 10.

Designed to bring interesting and important literary achievements to the campus and community, the series opens tonight with Professors Robert K. Johnson and Raymond Mizer reading original poems, and an original short story by Professor Oliver Robinson.

The series, sponsored by the English department in cooperation with the Roy O. West library, will be held in the library auditorium at 7 p.m.

Tonight's second attraction will be the organ recital of Dr. Charles Heaton, 1950 DePauw alumnus and minister of music at the Second Presbyterian Church in St. Louis.

Heaton's public recital is scheduled at 8:15 p.m. in Gobin Memorial Methodist Church. It is sponsored by DePauw's School of Music.

Two State Dept. Officers Resign

WASHINGTON UPI — Two top State Department security officers, involved in a dispute over tapping the telephone of a subordinate, resigned Monday.

The two are John F. Reilly, head of the security office, and Elmer D. Hill, chief of its division of technical services. They were involved in a dispute over an alleged attempt to tap the telephone of a third security official, Otto F. Otepka, who was (Continue on Page 4)

Highway Toll Tragic In Indiana

INDIANAPOLIS UPI — Indiana is almost a cinch to rack up its worst one-year traffic death toll in 1963 since 1941 and the third worst in history.

After a 10-fatality weekend, the toll stood at 1,154 with 44 days remaining in the year and an average of 3.6 deaths per day recorded in the first 321 days of the year.

If the average continues, the final toll would be 1,312 with 158 fatalities added by New Year's Eve.

Since the all-time record year of 1941 when 1,478 were killed, no year has had more than 1,277 deaths. This was the record for 1952.

A 1,312-death calendar year would rank third behind 1941 and the 1,367 killed in 1937. The only other time as many as 1,300 were killed was in 1936. The toll that year was 1,305.

Already this year, more persons have been killed than for 22 complete years of the 35 since 1928.

Last year's toll of 1,233, the worst in 10 years, stands likely to be passed about the first week of December.

Defends Decision On War Plane Contract

WASHINGTON UPI — The Senate permanent investigations committee was told today by the No. 2 man in the Pentagon that the decision to give General Dynamics Corp. the TFX war plane contract was the right one, and probably would cost less than a rival version by Boeing.

Deputy Defense Secretary Roswell Gilpatric made the statement as the committee resumed its hearings on possible conflict of interest violations in the multi-billion-dollar contract award.

Gilpatric said the award for his part was based on "consideration of national defense, and nothing else."

Smith Pleads Guilty

Paul Dean Smith, 20, pleaded guilty to a charge of non-support of minor children when arraigned before Judge Francis N. Hamilton in Putnam Circuit Court Monday.

Smith was ordered to be returned to court Wednesday following a pre-sentence investigation.

The defendant was turned over to Sheriff Kenneth Knauser in Brazil last Friday.

Robb Branch Bank

FORT WAYNE UPI — A masked bandit armed with a submachinegun held up a branch bank in a shopping center today, kidnaped the manager and fled with about \$8,400 in cash.

Judge Dies

COLUMBIA CITY UPI — Whitely Circuit Judge Lowell L. Peley, 60, died of a heart ailment at his home today, delaying the murder case of a Fort Wayne office worker.

Invites Cubans To Oust Castro

WASHINGTON UPI — President Kennedy all but invited the Cuban people today to overthrow Fidel Castro's communist regime and promised prompt U.S. aid if they do.

Kennedy's encouragement of a Cuban coup was contained in a major foreign policy speech before the Inter-American Press Association IAPA Monday night in Miami Beach, Fla.

The President said it would be a happy day if the Castro government is ousted.

His pledge and an offer to extend U.S. backing for any Latin American nation seeking aid to resist a Communist takeover attempts climaxed a busy political trip to Florida.

The Chief Executive was reported encouraged by the warm reception he received in Tampa and he told an airport rally in Miami that he was convinced Florida would vote for the Democratic presidential ticket in 1964.

Kennedy acted like a man running for the White House as he motorcaded past cheering crowds, shook hands with dozens of bystanders and flashed his familiar campaign smile.

Meany Dismisses Negro's Warning

NEW YORK UPI — AFL-CIO President George Meany today indignantly dismissed a Negro labor leader's warning that U.S. Negroes were drifting away from the American labor movement.

Meany made his remarks after AFL-CIO Vice President A. Philip Randolph warned the labor organization's convention that the traditional loyalty of the Negro toward the labor movement was under a "severe strain."

Meany told the convention that he refused "to accept the idea that the American trade union movement should be scolded" for lack of action on civil rights.

"I remember when we were the only ones in the forefront of this fight," he said.

Meany said he understood the impatience of the Negro since Negroes have waited a long time for their civil rights.

"But I can't understand that the way to get what you want is to abuse your friends," the labor leader said. He said if the Negroes want to abuse anyone, they should turn to "the big corporations who only give lip service to this."

Prof. Spent 16 Days In Soviet Cell

NEW HAVEN, Conn. UPI — Yale political science Professor Frederick C. Barghoorn, 52, spent 16 days in a small lighted cell in Lubyanka Prison at Moscow, it was learned today.

Mrs. Elizabeth Barghoorn, 60, mother of the mild-mannered professor, said, "the food was very poor, and he lost 10 pounds."

The professor's mother, who lives in an apartment adjacent to her son's said two Russian policemen arrested him "and he was handcuffed." She said they took her son to a "little cell" where a light burned 24 hours a day.

"The Russian guard looked in on him all the time," she said.

Mrs. Barghoorn said that, when her son was freed, "they took him right to the plane. They didn't allow him to get in touch with the people at the U. S. Embassy. He had cocktails there the night before he was supposed to leave prior to his arrest."

She said her son "came home dead tired," and went to bed early Sunday night. He "was in a state of complete exhaustion."

Tragedy Caused By Propane Gas

INDIANAPOLIS UPI — Propane gas caused the explosion at the Indiana Fairgrounds Coliseum which fatally injured 71 persons Oct. 31, according to a report made public Monday.

W. L. Walls, National Fire Protection Association, wrote the report to be included with an overall report being compiled by state, Marion County and Indianapolis officials.

"Through process of elimination and support by the physical evidence and observations of witnesses, it is concluded that the explosion was caused by the ignition of a propane-air mixture resulting from the release of propane from one of five cylinders in the area," his report stated.

Guest Speaker

Mrs. Virgil Sly, writer and lecturer on topics in areas of Christian education, Christian family life, women's work and Christian missions, will be guest speaker Thursday at 7:30 p.m. for the Christian Women's Fellowship of The First Christian Church. The meeting will be held in the sanctuary.

The wife of Dr. Virgil Sly, a native of Greencastle who serves as chairman of the division of world mission of The United Christian Missionary Society of the Christian Churches (Disciples of Christ), the guest speaker has written two books and numerous articles and pamphlets used in church school and women's programs. She has been national recording secretary of the United Church Women, and has served as president of both the Indianapolis and Indiana Councils of United Church Women.

Mrs. John Rightsell is chairman of the programs for the local Christian Women's Fellowship, with Mrs. Glenn Woodrum serving this year as president of the organization.

Worship for this Thursday's meeting will be led by Mrs. Maynard Shonkwiler.

News Of Boys

GREAT LAKES, Ill. (FHTNC) —Earle W. Talley, 18, son of Mrs. Minnie C. Talley of 1024 Avenue "C," Greencastle, Ind., completed Basic training Nov. 1, at the Naval Training Center, San Diego, Calif.

MOSCOW UPI — Communist China's attack on Premier Nikita Khrushchev as a "Bible-reading, psalm-singing" buffoon may mean the Sino-Soviet dispute has reached the point of no return, Western diplomats said today.

The attack, printed in Chinese Communist newspapers today, was unprecedented in bitterness and ridicule, and contained serious charges against Khrushchev's foreign policy as well as his personal demeanor.

"No matter how much he may praise himself, he will not be able to cover up his dangerous practice of recklessly playing with nuclear weapons or fawning before imperialist nuclear blackmail," the 18,000 word Peking statement said.

This was a reference to the Soviet deployment of missiles to Cuba and the agreement to withdraw them under U. S. pressure in the fall of 1962.

China's blast appeared to be direct defiance of Khrushchev's offer of a truce in the bitter ideological conflict.

There was no immediate Soviet reaction, but some observers expected the dispute to play an important part in the Soviet Communist party's Central Committee meeting next month.

'Hootenanny' To Benefit Hospital

Folk singing artists from various Indiana colleges will be featured in a "Hootenanny" to be held Saturday, November 23, at 8 p.m. in the Greencastle High School Uptown Gym.

The fund-raising affair sponsored by the Greencastle Lions Club will feature entertainers from Indiana, Purdue, Butler, and DePauw Universities and Indiana State College. The now popular folk singing style of music will be presented by "The Jordan Four" and "Sigma Nu Duo" from Indiana University, "The Sandpipers" from Purdue University, "The Unfriendly Four," "Sigma Nu Duo," and Cal Fox from DePauw University.

Also appearing on the program will be the "Ox Tones" and Mr. and Mrs. Cary Reichard from Indiana State College and "Sigma Chi Duo" from Butler. Randy Cope, a member of "The Unfriendly Four," will serve as Master of Ceremonies for the affair.

All proceeds from the "Hootenanny" will be used for furnishing special equipment for the Putnam County Hospital. Tickets may be purchased at the door.

Lions Club President Don Shuee issues an invitation to everyone to come out for an enjoyable evening.

TODAY'S BIBLE THOUGHT

All the Law is fulfilled in one word... Thou shalt love thy neighbor as thyself.—Galatians 5:14.

Contrary to popular thought, this command does not imply sentiment, but concern; not emotion but service; not "liking" but "doing for." This is Christian love.

FARMING IS
DANGEROUS!

Today, farming is ranked as the third most hazardous occupation, behind mining and construction. Although the national overall death toll from accidents continues to fall, the farm rate is rising.

A farmer is called upon to perform many occupations, such as carpenter, electrician and mechanic, meanwhile using many types of fuels, chemicals and dangerous insecticides.

There are many types of insurance written for farmers that not only offer accident and health protection but cover the liability for an employee. There's no obligation in giving us a call.

Once again the DePauw football season has come to a close with fans walking away from Blackstock stadium Saturday feeling that the season was truly a winning one, with Wabash again on the short end. And this year it was a very short end. Coach Mont and every single member of the team should be congratulated on a very fine final game and season.

Saturday afternoon the East College bell, not to be outdone by the Monon Bell which had precedent for the day, tolled loud and long after the Tigers' victory. The Monon Bell will be kept in Greencastle for another year, making its eighth year in DePauw's possession.

Climaxing the weekend Saturday evening was the annual KTK dance which was held in the Longden Hall dining room and burmroom. Due to a long list of complications the dance was held in the hall instead of Bowman Gym or the Union Building ballroom. Despite the change in atmosphere, however, the formally clad couples enjoyed dancing to the music of the Ralph Flanagan band.

The highlight of the evening was the crowning of the KTK queen, Miss Char Tirman, a Pi Beta Phi sophomore. Her attendants were Miss Sally Zoller, a Delta Gamma senior, and Miss Marty Marsden, a Kappa Kappa Gamma sophomore.

The dance was the climax of the annual Greek Week sponsored by KTK and Pan-Hellenic Council.

The annual Mortar Board late hours contest came to a close Tuesday after a five-day campaign by the women's living units on campus to raise money for women's scholarships. Mortar Board, the women's scholastic and activity honorary, sponsors this contest every year with the living unit turning in the most money per resident after the five-day period receiving one late hour. This coveted late hour may be taken at any time deemed desirable by the winning unit.

During the time of the contest campaigns go on in the living units with girls paying mental fines for breaking quiet hours, not cleaning their rooms, using irons or showers, or for even having dates. On several occasions the male population on campus has been astounded to find a girl at the front door demanding a small payment before his date is permitted to leave the unit. All of this may seem a bit ridiculous at times, but the results of all the nonsense are quite worthwhile. In past years Mortar Board has collected as much as \$1,200 to apply to scholarships for the women attending DePauw.

Tuesday evening at 7 p. m. in the Roy O. West Library auditorium the first in a series of "original works" programs will be presented by three members of the English department.

Professor Robert K. Johnson will read a number of his own poems which will deal with the "search for an absolute in the world." Professor Raymond E. Mizer, who has had many of his poems published in journals, will present some of his poems "reflecting the poem as an instrument for coming to terms with experience." Professor Oliver W. Robinson will read his short story "Man Wanted" which has been published in The Prairie Schooner. The program promises to be entertaining.

Around the boulder—Houses of the future were honored Sunday afternoon at the Delta Delta Delta, Delta Tau Delta, and Delta Zeta houses at faculty teas. All Sigma Nus have moved into their renovated and redecorated house and began eating there last Thursday. The house has undergone extensive repair and several new features following a fire last spring. . . . Student Senate conference on University Affairs will be held this Saturday. . . . Featured Friday for the chapel program will be classical guitarist, John Williams. This program should be a "must" for even the "non-chapel-goers." . . . Collegium Museum will be presented Sunday by the School of Music. . . . Only a few days left before the DePauw students will be leaving for a short but much anticipated Thanksgiving vacation.

the king of hearts and returned a heart to dummy's ace. South cashed the ace and king of diamonds, hoping the queen would drop. When it didn't he led the king of clubs.

West took the ace of clubs, three more heart tricks and the queen of diamonds. Down two. You've spotted the criminal, of course. But be sure you know exactly what crime he committed. What should he have done?

NORMAL CHARGE

A hold-up man is a criminal in any court in the land, so our charge against South is very normal. His crime was a hold-up job.

It is usually a good idea to refuse the first trick or two at a trump contract, holding up your winner until one opponent is out of the suit. In this case the hold-up at the first trick allowed the defenders to unblock the heart suit.

South is in no danger if the hearts are 4-3, so he need consider only the 5-2 break. It East has two hearts, one of them must be an honor since West would have led the king if he had five hearts headed by K-Q-10.

Having worked this out, South can make the contract by playing dummy's ace of hearts.

and we now have our \$50.00 toward our Christmas fund.

The roll call was answered by 15 members and we welcomed two guests, Mrs. Leah Milhon and Mrs. Lionel McCabe. Mrs. McCabe was re-instated into the club.

The nominating committee submitted the following names for our 1964 officers: Mrs. Eddie Buis, president; Mrs. Chester Mann, vice president; Mrs. Anna B. Wallace, present secretary to continue; Mrs. Charles Chestnut, treasurer, to continue. They were elected by acclamation.

The Christmas party to be held at Torrs' Restaurant on Wednesday, Dec. 11 at 12:30.

After the luncheon the following committee will be in charge of the program: Mrs. Ralph Cox, Mrs. Maye Truex and Mrs. Charles Chestnut. At this meeting Secret sisters of the past year were revealed and new ones drawn. Meeting closed with prayer.

Jefferson H. D. Club Met Thursday Nov. 14

The Jefferson Home Demonstration Club, met Thursday afternoon, Nov. 14, at the lovely home of Mrs. Floyd Crawley of Cloverdale. Meeting was opened by president, Clova Salsman with salute to the flag and club creed. Twenty-one members answered roll call by naming their favorite hymn. Secretary's report was given by Mrs. Donna Frye. Mrs. Lola Salsman gave the treasurer's report. Mrs. Rosemary Davis reported that she had sent for tickets for club members to attend the Don Melvahn show on January 25th.

Place for Christmas Party was discussed and Mrs. Charlie Wise is to make reservations. Watch paper for announcement. Mrs. Clova Salsman then gave a very interesting lesson on Food Additives and how the Federal Food, Drug and Cosmetic Act protects us. What are Food additives? They may be a preservative or any chemical added to replace food values lost in processing. A lot of faults are published in articles to sell, that are not to be depended on for true facts. Fads get started and millions of dollars are spent on them before they are proved useless. Read labels and follow instructions and you are apt to be safe, because you are protected by the law for true labeling.

We are saddened by several of our members dropping out of club, for various reasons. We sincerely hope that they will change their minds.

The hostess and co-hostess, Mrs. Thelma Swope served tasty refreshments. Secret sister gifts were presented for birthdays and anniversaries. Mrs. Helen Sinclair showed us Christmas decorations she had made in craft club from tin cans and various other articles. There were also six children present.

Mrs. Bitzer Hostess To Rain or Shine Club

The Rain or Shine H. D. Club met Nov. 13 at the home of Mrs. Wendell Bitzer. The meeting was opened by the president, with all repeating the pledge to the Flag and club creed in unison. Song of the month was sung by all. Roll call was answered by ten members with a cookie and candy exchange.

Installation of officers for the coming year was held by Mrs. Mrs. Keith Humphrey. President, Mrs. Donald Flint; vice president, Mrs. Wendell Bitzer; secretary, Mrs. Dale Pierce; treasurer, Mrs. Earnest Cook. Corsages were presented to all new officers and the installing officer by our retiring president, Mrs. Gene DeWeese.

The lesson on Food Additives was given by Mrs. Donald Flint. Secretary and treasurer reports were given and approved. Mrs. Garland Howard was then voted in as a new member. A discussion was held and carried to buy gifts and fill a basket to send to the Children's Home at Christmas time. Arrangements for our Xmas party are being taken care of by our Social committee.

The meeting was then closed with all members repeating club prayer in unison.

A social period was held with delicious refreshments of cake, nuts and coffee served by our hostess.

Mrs. Ezra Arnold Is Hostess To Club

West Floyd Home Demonstration Club met at the home of Mrs. Ezra Arnold, Nov. 13th.

Twelve members answered roll call with their favorite hymn. Two guests were present.

President, Mrs. Dale St. John, opened the meeting with the Thought of the Month. Mrs. Dale Miller read the history of the song and the Flag Salute was

given and Creed repeated in unison.

Lesson on Food Additions, given by Mrs. Harold Sibbitt. Secretary's report was given. A shower was given by club for Mrs. Jack Whitten.

Refreshments were served. Contest was given by Edith McKamey and won by Mrs. C. J. Reagan.

Mrs. Whitten thanked the club for the gifts and invited them to visit her in her new home.

Club closed with club prayer and collect for club women.

Next meeting with Mrs. Maurice Bryan, Dec. 11th with a carry-in dinner and grab-bag gift.

How to cut oil bills

1. Have your oil burner cleaned and adjusted professionally. Like a car, it needs periodic attention.
2. Use a heating oil that helps guard against deposit build-up in burner passages. In a clean, well adjusted burner, Shell Heating Oil can help reduce fuel consumption significantly.

ARE YOU SATISFIED WITH THE ANSWERS YOUR PRESENT AUTO POLICY GIVES

TO THE FOLLOWING QUESTIONS

Q If your auto is damaged in a collision, how much of the repair bill will you have to pay — 50 dollars? 100 dollars? or more?

A 90% of all Farm Bureau Insurance drivers are protected by our famous 80-20 coverage. You pay only 20% of the loss—even if it costs only one dollar. We pay 80% of each loss up to \$200, and 100% of the loss above that.

Q Does your present automobile medical coverage pay a death benefit as the result of an injury? If it does, is the benefit limited to funeral expense?

A Farm Bureau Auto Insurance pays death benefits for you, for your family, and for anyone else who may be injured while riding in your car, providing your medical expense has not already exhausted the limits of the coverage.

Q How much time do you have to report the purchase of a new or second car, before you lose the automobile protection you now have?

A Farm Bureau Insurance allows a full year's protection on a newly purchased car that replaces your present one. . . . 30 days on a second car, before reporting.

Q Does the property damage liability coverage on your present auto policy give you enough protection?

A If you are now carrying only \$5,000 of property damage liability, Farm Bureau Insurance will double your protection in most instances—for about one dollar per year more.

Available through

Thrifty McBip

Auto premiums may be paid annually, semi-annually—or you may use the Thrifty McBip plan which allows you to lump all your Farm Bureau Insurance together, and pay for it in regular monthly payments that are easy on your budget.

fired for giving certain information to a Senate investigator. Sen. Thomas J. Dodd, D-Conn.,

charged last week that Reilly and Hill, in effect, had first denied and later conceded they were involved in an attempt to "bug"

Otepka's telephone. The two men were placed on "administrative leave" by the State Department following Dodd's charges last

week. Department press officer Richard I. Phillips told newsmen today that Reilly and Hill "have tendered their resignations and the department has accepted them to be effective at an early date." Phillips said this will be some time next month.

Reilly's resignation left David I. Belisle, special assistant for personnel security, in charge of the security office. Belisle also had been involved in the Senate testimony concerning the Otepka wire tap case. But Belisle stated he had been out of the country when the incident took place, and had no first hand knowledge of it.

Further Views Asked By Court

WASHINGTON UPI — The Supreme Court, by a 5-4 vote, pressed the federal government Monday to submit further views on whether restaurants and other places of public accommodations may bar Negro customers on the basis of race.

In submitting its views to the court last month in a series of "sit-in" cases from Maryland, Florida and South Carolina, the Justice Department had carefully skirted the broad constitutional questions involved in such discrimination.

The court in the order "invited" the solicitor general to file a further brief on the controversial issue.

This could be a hint-but not a certainty-that the court may wish to issue a broad constitutional opinion on the public accommodations question which is a major feature of President

Kennedy's civil rights bill now before Congress.

In arguing the sit-in convictions before the court in October, the solicitor general contended that the broad constitutional issue need not be decided. He suggested that the case could be disposed of on narrow questions of law.

The order, however, asked him to submit a further brief on the issue within 30 days.

—MENTAL HEALTH

Sizes of clothing should be one size larger than that worn by the donor.

Many patients in mental hospitals are forgotten by family and friends, and the Putnam County Mental Health Association's aim at this holiday season is to assure that every person turn-

from Putnam County will be remembered with a gift," said Mrs. Hughes today. "The right gift for the right person will be selected by volunteers working with the hospital committee, and everyone who donates a gift will be assured that it will make some mental patient happier."

Any member of the local committee or the collectors in county communities will be glad to make suggestions or to answer questions about the gift collection.

AT LONG LAST, the early colonists of Virginia, along with those of Massachusetts, have been given credit for thinking up the idea of Thanksgiving dinner. We wouldn't know who was first—but we're sure glad somebody had the idea.

Those two states are among our favorites for other reasons, too. Massachusetts for yummy blueberry pie and Virginia for delicious baked ham.

HIGHWAY DEPT. PREPARED FOR WINTER

The state highway garage for the Greencastle area announced Monday that its crew of 72 men is prepared to cover the local roads for the coming winter with about a fifteen minutes' notice.

Edward Raines, the local superintendent, has at his disposal more than 5000 tons of salt and sand to put on the icy roads and

streets. All of the equipment is ready except for one truck which is having some engine work done. The Greencastle area uses 20 snow plows and two snow graders for clearing the roads, along with 17 patrol trucks and five spreaders, to cover a distance of about 350 miles.

There are almost 3500 tons of

salt and 100 tons of calcium to lower to freezing point of the snow and water on the highways.

During the winter months, the snow and ice crack and break up the highways and streets thus keeping the road crews working year around repairing the winter damage as well as the equipment.

Sun Mops Up Fog Over State

A bright sun mopped up a pea-soup fog in Indiana today.

The thick fog spread over much of the state Monday night and stayed on until well past dawn, slowing traffic and creating serious driving problems. A fatal accident in Anderson was blamed on poor visibility.

The fog came as temperatures fell below freezing over parts of Hoosierland, including 25 at Lafayette, 28 at Evansville and Cincinnati, 31 at Indianapolis, 32 at South Bend and Louisville, and 33 at Fort Wayne.

High Monday ranged from 53 at Lafayette to 67 at Evansville. Highs today and Wednesday will range in the 50s with lows tonight from 35 to 44.

Occasional rain may start tonight in the southwest and spread over the remainder of the state Wednesday, forecasters said.

Judge Will Hear Union Pacific RR

CHICAGO UPI — The Union Pacific Railroad gets a chance today to show why the temporary order restraining Rock Island Railroad stockholders from voting on a merger with the UP should be continued.

The order was issued that Thursday by Federal Judge Julius H. Hoffman, preventing a vote Friday by Rock Island stockholders on the merger offer made last summer by the Union Pacific.

The UP claimed in its petition for the order that the Chicago and North Western Railway had unduly influenced the collection of proxies for the Rock Island balloting.

The first commercial oil well was drilled in 1859 at Titusville, Pa., in a search for petroleum which could be distilled as a better fuel than whale oil, according to the American Petroleum Institute.

UNDER FIRE—President Oren Lee Staley of the National Farmers Organization, Corning, Iowa, is under the fire of 28 dissident NFO members for allegedly exerting one-man rule of the 18-state farm organization. A former NFO vice president and leader of the protesting group, Robert Casper, Winterset, Iowa, declared the organization "shall not long endure" the present leadership, under Staley.

BALTIMORE, Md. UPI — Hank Bauer, former New York Yankee star who once piloted the Kansas City Athletics, today was named manager of the Baltimore Orioles.

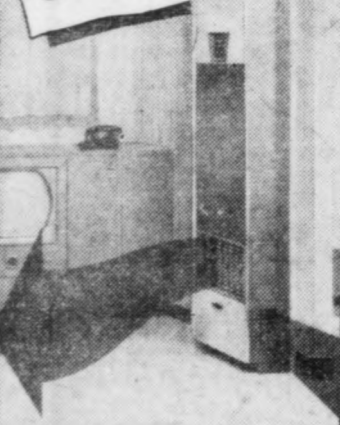

Bauer, who succeeds Billy Hitchcock, was signed only for the 1964 season, but General Manager Lee MacPhail said that "Hank has been my preference right along." No terms were announced.

Bauer served as third base coach of the Orioles last season under Hitchcock. He had managed the A's in 1961 and 1962.

Castro Leanings

WASHINGTON UPI — A Bloomington attorney, who refused to discuss his military service because of security reasons,

Radar Protection

WASHINGTON UPI — Ninety per cent of the airspace over the continental United States now gets high altitude radar collision protection.

freely admitted today that he traveled to Cuba in defiance of a State Department ban. John R. Glenn, 34, made no secret of his sympathies with groups opposing U.S. policy toward the government of Premier Fidel Castro.

But in his appearance before the House Committee on Un-American Activities Glenn showed that he was a maverick of sorts among certain leftist organizations. He said the group sponsoring the trip did not want him to go but that he went anyway.

The Federal Aviation Agency said Monday this was accomplished last week when the Miami, Fla., air route traffic control center was added to the area "positive control" program. This program monitors all flights above 24,000 feet with modern radar.

Easy Pickings

LOS ANGELES UPI — The judges' chambers at county courthouse are getting to be a popular place for thieves.

Municipal Court Judge Allan G. Campbell reported the theft Monday of a transistor radio worth \$40 from his desk. There was another \$40 loss three weeks ago when a wallet was stolen from the desk of Superior Court Judge Lloyd S. Nix.

Red Guerrillas
Are Deserting

SAIGON UPI — More than 700 guerrillas who had been allied with the Communist Viet Cong rebel forces have come over to the Vietnamese government in the past two days, reliable military sources said.

The sources said the guerrilla units of the Hoa Hao sect, including two battalion commanders and several other officers, surrendered in groups of 370 and 250 men in An Giang Province on the western edge of the Mekong delta—scene of the toughest going for government troops.

PROTEST FEDERAL ACTION
WASHINGTON UPI — De-
